Student Horse Show
Saturday, March 31, 2018

Rain date – Sunday, April 1, 2018

Foothills is offering this special opportunity for students to demonstrate their current progress, learn their strengths and explore the many benefits of a competitive experience. Limited only to current Foothills students; group classes are formed to ensure that all students are challenged, yet not overwhelmed. Given the chance - all of our best and brightest riders will show mastery of horsemanship skills and see the direction for further progress toward their goals.

Students who do not own or lease their own horses will have the option of using a lesson horse they are familiar with and which enables them to show their skills. Students may enter up to four classes per horse, two flat equitation and two over fences. No special equipment is needed. Students should wear their own helmets (schooling helmets are okay), safe footwear, long pants, and a light colored shirt with collar and short or long sleeves. Show apparel, if available, is welcome. Fees are charged per class to cover the cost of hiring a judge and awards given to all who participate. Please fill out the bottom portion of this form and return it to your instructor or put it in the payment box along with the required fees. Be sure to mark your check for horse show, or attach it to the entry form. Cash payments should be clearly labeled on a payment envelope. No spot will be held without advance payment.

Please return this portion with payment to Foothills Equestrian Center
